Dear Mr Garcia Bercero

We would like to thank you for meeting with us last week to discuss the on-going negotiations on the Transatlantic Trade and Investment Partnership (TTIP). We highly appreciated your openness during the discussion and your interest in our opinion and concerns regarding workers' rights and TTIP.

As a follow-up to our meeting, and as agreed, we would like to share with you more concrete input regarding the protection of fundamental rights in TTIP, how to safeguard national measures regarding labour protection and how to ensure effective compliance with and enforcement of ILO Conventions and domestic labour law through national industrial relations systems. We believe that these issues are key in mobilizing support for TTIP from trade unions in Europe. Please find attached our proposals.

We will come back to you with proposals on dispute settlement and enforcement mechanisms regarding workers' rights.

Please feel free to contact us if you have any questions or need of clarification regarding our proposals.

Yours sincerely
